Specification

Connectors	: Hdmi male - source and Hdmi male - sink
HDCP&DDC	: HDCP 2.2 Fully support bi - directional EDID and HDCP communication
Bandwidth	: 48 Gbps(12 * 4 channels)
Resolutions	: 480,720,1080i,1080p,4k,8k
Cable type	: Hybrid with 0m3 fiber and copper wire
Length available	: 10,15,20,25,30,40,50,75 and 100 m
Cable od	: 4 mm, bending radius 6mm
Tensile strength	: SR 30kgf
Jacket material	: TPU
Colour	: Black

Copper and fiber
wires

12Gb Data / Channel
8k 50/60p

Supports Earc, HDCP,
Ethernet and EDID
