Specification

Connector A	:	Cat 6 a Shielded RJ45 Plug
Housing	:	Shielding over Polycarbonate + strain relief moulding
Coating	:	Nickel / Gold
Connector B	:	Cat 6 a Shielded RJ45 Plug
Housing	:	Shielding over Polycarbonate + strain relief moulding
Coating	:	Nickel / Gold
Connection Type	:	Machine crimping
Cable	:	Cat 6 A - 4 twisted pair + al foil + drain wire + shield + pvc
Gauge	:	24 Awg
Conductor	:	Copper
Connection Standard	:	T-568B
Speed	:	10 G
Protection	:	EMI & RF Protection
Colour	:	Blue / Grey
Length Available	:	0.5 - 15 mtrs

24 AWG EMI & RF PROTECTION
