

DISPLAY CEILING MOUNT ECO SERIES

nT7DB02 A / B

The nT07B02 Eco Series is a lightweight yet robust ceiling-mount solution for medium-size displays. Fabricated from powder-coated CR steel (1.5 – 2 mm gauge), the mount combines telescopic height control, generous tilt and swivel ranges, and fully concealed cable management inside the extension pipe. Two size variants cover screens from 42" up to 75", making the Eco Series a cost-effective choice for classrooms, huddle spaces, retail signage, healthcare environments, and home entertainment.

Colour Options

Specifications

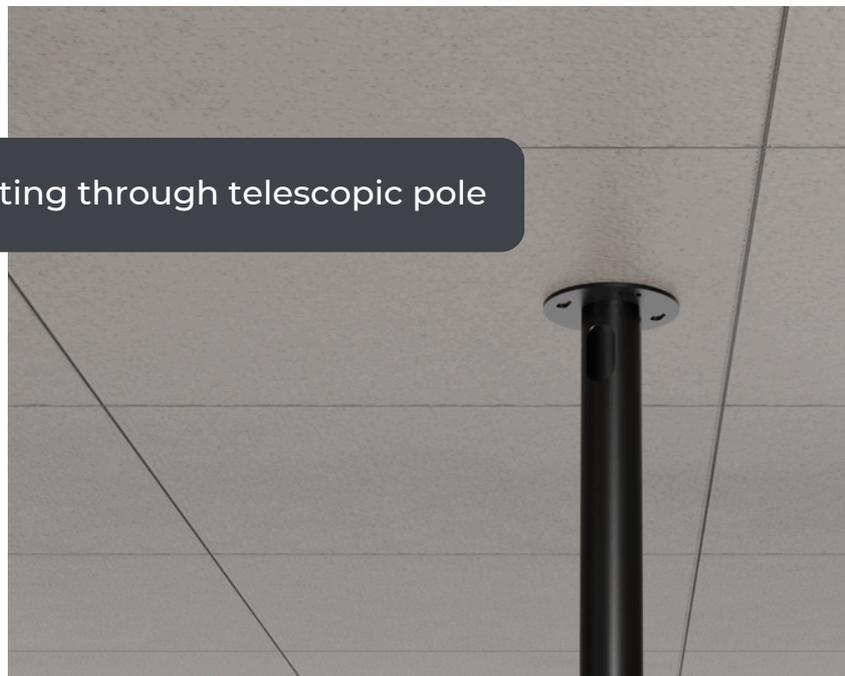

Display Size	: 37" – 75" (model-dependent)
Material	: Powder-coated CR steel
Material Thickness	: 1.5 mm / 2 mm
Weight Capacity	: 25 kg
