

## **DISPLAY TABLE MOUNT HEAVY DUTY SERIES**

### **nT7DC01E / F**

nT7DC01 is a heavy duty table mount designed for displays ranging from 42" to 86". The table mount features simple assembly and rugged construction, offering various features like height adjustment, compatibility for adding video bar, heavy duty base for stability, and dual pillar design for stability and balance.

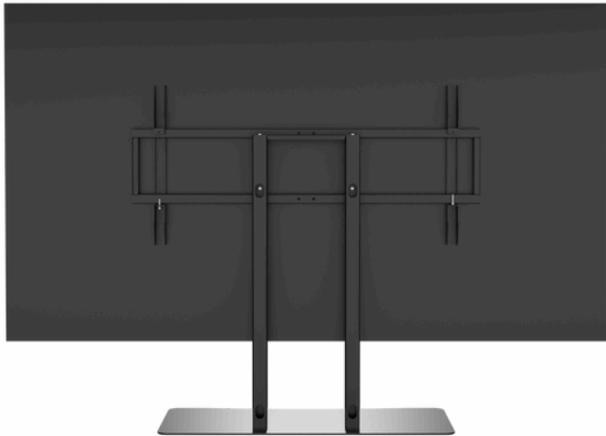

The mount is engineered for professional applications with its robust powder-coated CR steel construction and multiple material gauge options (1.5mm / 2mm / 5mm). Available in black color as standard, with white finish available on order. The dual pole configuration ensures maximum stability and balance for larger displays while maintaining elegant aesthetics.

Suitable for office, home, reception, digital signage, restaurants, educational and hospital applications where reliable display positioning is essential.
