

DISPLAY CEILING MOUNT HEAVY DUTY SERIES

nT7DB01 A/B

nT07B01A/B is a heavy duty ceiling mount for display designed for professional installations. The mount is manufactured from powder coated CR steel with material gauge ranging from 1.5mm to 3mm, ensuring rugged construction and reliable performance for demanding applications.

The ceiling mount offers comprehensive functionality including telescopic height adjustment from 3 to 6 feet, display up/down angle adjustment, up/down keystone adjustment, and left/right angle adjustment up to 180 degrees. The mount provides excellent flexibility for optimal viewing angles in various installation scenarios.

Concealed cabling through the telescopic pipe ensures clean installations while maintaining easy access for maintenance. The mount is available in black color with custom white finish available on request. Suitable for office, home, reception, digital signage, restaurants, educational and hospital applications.

Specifications

Display Size : 42" – 65" (7DB01A) • 50" – 86" (7DB01B)

Material : Powder Coated Cold Rolled Steel
