

## **RACK SLIDING SHELF**

### **nT6FF04 A/B/C/D**

19" rack-mount sliding shelf for installing and servicing equipment inside AV/Network racks. Heavy-duty telescopic channels allow smooth pull-out and push-in operation, with adjustable rear mounting ears to fit multiple rack depths. Powder-coated CR steel construction supports up to 15kg and is available in four depth variants to match common rack sizes.

## Specifications

Form factor	: 19" rack mount, 1U space
Material	: Powder coated CR steel; 1.5mm/1.2mm gauge
Mechanism	: Heavy duty telescopic sliding channels
Rear ears	: Adjustable for multi depth rack fixing
Weight capacity	: 15kg
Color	: Black
